

PET THERAPY

OBJECTIVES

Pet therapy aids people who are elderly, mentally challenged, or who have emotional problems, to open up and share through their response to animals. Club members visit a local nursing home, a local Veteran's Hospital, an animal rescue ranch, and petting zoo community events with their animals. Throughout the year, club members participate in making crafts and gift bags for these residences.

RULES FOR EXHIBITION

1. Exhibitor must be a member of Somerset County 4-H Pet Therapy and have attended at least 70% of club meetings
2. Exhibitor must have taken part in 70% of club visits and shows.
3. Record books (exhibits) must be received at Fair display set up.
4. Exhibits are to remain on display until Fair closes at 10 p.m. on Friday. They can be picked up after tent break down Friday night.
5. Members must attend fair tent set up, display set up, and tent break down of fair.
