

## **Photography Division**

### **Objectives**

Club members will examine the various aspects of photography. The different genres and challenges will allow youth unique ways to express themselves with their own creative photography production. Members will be able to improve their photography skills, enhance their public speaking, and use their new photo skills to “give back” to 4-H via providing photo services to other clubs and 4-H events.

### **Rules and Requirements for Exhibition (Participation in Fair)**

1. Be registered as a 4-H youth member on 4-H on-line
2. Attend 70% of all club meetings.
3. Complete a club or county level presentation (if competing)
4. Complete a record book (if competing)
5. Help set up/take down the club booth in the Arts & Science Tent.
6. Help maintain the tent where the exhibit is located at Fair.
