

## **TREASURIES AND FUNDRAISING OF 4-H CLUBS AND 4-H AFFILIATED GROUPS**

### **Obtaining a 4-H Club Treasury**

A 4-H club or group treasury is both a privilege and a responsibility. Funds may be raised from club dues, fundraisers, and other sources. It is critical that all local, state, and federal tax regulations be followed.

National 4-H Headquarters requires a 4-H Charter for any 4-H entity to: 1) use the 4-H Name and Emblem, and 2) be included under the National 4-H Group Exemption Number. Only the Director of Extension and the State 4-H Office can issue a charter and obtain federal tax exempt status. A “4-H entity” is defined as any 4-H club or group (advisory council/association).

A Chartered 4-H Club or Affiliated 4-H Organization is eligible to apply for federal tax exempt status under the National 4-H Group Exemption Number (GEN) 2704 through the county 4-H office. As a first step the Chartered 4-H Club or group must apply for an EIN (Employee Identification Number) by completing an SS-4 form with assistance from the county 4-H office. Once a 4-H club or group receives the EIN, the county 4-H office forwards this to the State 4-H Office who then submits this to National 4-H Headquarters. National 4-H Headquarters certifies through the IRS the 4-H club to be included under the 4-H GEN (federal tax exempt status). The 4-H club or group will receive a Certification Letter directly from National 4-H Headquarters authorizing the club to receive tax deductible donations and grants from private and corporate donors under the 4-H nonprofit status.

This policy reflects the 2008 IRS regulations regarding the National 4-H Group Exemption Number (GEN). Subsequent changes or additions to IRS regulations supersede these policy statements.

Each year National 4-H Headquarters will receive a list from the IRS containing all 4-H groups that have filed for inclusion in GEN. This list will be shared with the counties to verify accuracy.

### **Tax Liability**

All 4-H organizations with an EIN are now required to file an Electronic Notice Form 990-N (ePostcard) with the IRS regardless if earnings are \$0 to \$25,000. Groups grossing more than \$25,000 are required to file Form 990. This annual electronic filing notice is the responsibility of the 4-H club leader and is due by May 15 of each year. Failure to comply with this requirement may result in the loss of tax exempt status and the associated privilege of raising funds and having a bank account in the name of 4-H.

### **Treasuries**

*Role of Treasurer:* While the adult leaders are held accountable for all funds collected and expended, they should guide, supervise, and direct youth members in the responsibility of the office of treasurer. Funds shall be collected by the elected club treasurer. The treasurer shall keep written records of the

treasury and submit a report at each meeting. The adult leader and the treasurer are responsible to submit the Annual Financial Review as noted below. 4-H Prep (grades 1-3) members are not eligible to serve as officers.

*New Jersey 4-H Club Treasurer's Record Book* Publication #4-H259: This NJ 4-H publication is to be used as an official record of the 4-H club treasury. This includes developing an Annual Club Financial Plan (budget), preparing an Annual Financial Review (audit), and submitting a Fundraising Worksheet (for club/county/state fundraisers).

*Bank Account:* Any money owned by the club should be kept in a bank account, established under the club or group name and its EIN. Personal social security numbers are not required and should not be used on bank accounts. At least two signatures are required on the account. Ideally it should be the club treasurer and a club leader. If the bank does not accept a signature of a minor, the second signature should be that of co-leader or parent. Under no circumstance should the two signatures be from the same family.

*Annual Review:* Each club or group with a treasury must submit a completed Annual Financial Review (see Treasurer's Record Book) to the county 4-H office by **March 1** of each year. The treasury records and the bank account records must be 'reviewed' by a committee made up of at least two individuals NOT affiliated with the club. In addition, each club and group must comply with the IRS filing requirements (e-file by May 15) as well as the NJ Charitable Registration requirements, if applicable.

*Club/Groups Disbanding:* If your club disbands, the leader must immediately notify the county 4-H staff. All assets shall be assigned to the county 4-H program through the appropriate county 4-H advisory group, designated by the club and approved by county 4-H staff. Under no circumstances are 4-H funds or property transferred, divided, or distributed among individual members, parents, or adult leaders. This should be appropriately described in the club or group by-laws.

## **Fundraising**

Collection of funds of any kind in the name of a 4-H Club or group should be for the specific purpose of supporting a project or planned activity. All fundraising activities must be in accordance with the mission of 4-H and reflect a positive image. In addition, the adult leaders in charge of 4-H clubs or groups will be held accountable for all fundraising under the supervision of county 4-H staff.

*Raising Funds for a Specific Goal:* Fundraising will be done only to meet a specific 4-H club or program goal (i.e., purchasing supplies for a club project; funding a community service project; sponsoring members to attend an educational conference or 4-H camp). Money raised during the course of a 4-H year will be spent that same year, unless a long-term goal with a specific timeline is stated. Raising money should not be the club's primary activity and is not a requirement for club success.

*Informing County 4-H Office:* 4-H clubs must submit a Fundraising Worksheet to inform the county 4-H office of fundraising plans in advance to avoid conflict with other 4-H fundraising efforts and program goals. If the 4-H staff determines there is a conflict with other efforts or program goals, or is not informed of the fundraising plans, he or she may choose to deny support or permission for the fund-raiser.

*Meeting Legal Requirements:* Fundraising activities must meet legal requirements within the local municipality, county and state. The adult leader should contact the appropriate municipality to

ensure compliance with local jurisdiction prior to any fundraising planning and must be able to produce documentation (i.e., permit) when requested.

*Safety Factors:* Door-to-door solicitation of funds is not permitted. Adult leaders should consider the personal safety of all youth when planning fundraisers. Precautions should be taken when needed.

*Clubs Dues.* Only the chartered clubs that have an EIN are eligible to collect dues, establish a bank account, and set up a club treasury.
